### **May 17th - 19th - BOUND in LOVE**

***Prayer Verse:*** 'And this is eternal life, that they know You the only true God, and Jesus Christ whom you have sent" - **John 17 v 3**

***Prayer Release:*** Lord Jesus Christ, the first born of many sons and daughters, break all disunity and bind us together in Your perfect love. Enrich us as we become more bound by Your love, linking arms with each other, truly and confidently restoring and closing every breach and place of imperfection.

***Blessing:*** We bless people to know the only truth that will set them free; eternal life in You, we bless people with a love so great it extinguishes every fire of the dark one, we bless people with a love that creates an aroma and perfume of You in them, drawing lost sons and daughters home. We bless the land with abundance through Your love.

***Mountains and Plains:*** Let love resound around and around and through each heart, home, place and person. May the places that scheme and set up traps for people be shattered by the perfect love of Jesus. May only Your true love set these regions on a collision course with Your kingdom.

### **May 20th - 22nd - FORMED in LOVE**

***Prayer Verse*** - 'Beloved, let us love one another, for love is from God, and whoever loves has been born of God and knows God. Anyone who does not love does not know God, because God is love - **1 John 4 v 7 and 8**

***Prayer Release:*** Holy Spirit show us the more excellent way; show us the way of LOVE. We want to be formed, shaped, made and engulfed by the love of Jesus. Let us no longer walk in places where love does not abound. Let us come into more and more and more love. Help us to see the world around us through the eyes of Your true love.

**Blessing:** We bless people to be formed in Your love, may that be their firm foundation. We bless the land to respond to sons and daughters who bless it with love. We bless places of chaos and turmoil with Your love. We bless people to come out of so many different lusts and may they fall into Your love. We bless people with hearing, seeing and experiencing Your love.

**Mountains and Plains:** Jesus the King of love! Oh how these regions will know Your great love! Increase the awareness of Your presence in these places! We thank you God for your ever present, never changing, pure and holy love filling the land we walk and live in. -----

**May 23rd - 25th - FALLING in LOVE**

**Prayer Verse:** *'The voice of my beloved! Behold He comes, leaping over the mountains, bounding over the hills'* - **Song of Solomon 2 v 8**

**Prayer Release:** *Lord Jesus refreshing comes from Your presence alone! Chase me down, stop me in my tracks, let me not go on into anything until I have stayed with you awhile, renewing myself in You. Grant me grace to be head over heels again! Wrap me up! That is the experience I want to first behold and secondly freely give out through you!*

**Blessing:** We bless people with space, time, places and refreshing in Your presence Jesus. Overwhelm people with a love so strong it makes everything else so dim. We bless people with an ever-increasing thirst and hunger to be satisfied and quenched only by You.

**Mountains and Plains:** We bless these regions with the gift of 'pursuit', the passion to search and seek you out, longing to know You in the depths of who they are. May the regions be known as places where people do not just meet with You but are embraced by You.

-----

Let us return with a bold confidence, mixed with humility, to the place of the passion of Your heart. Let us be found no longer in the 'outer courts' but help us to be found in Your throne of grace. Grant this grace to us!

**Blessing:** We bless people and places with confidence to draw near to You, we confess that Your body hasn't always been inviting or able to reflect Your love, we repent! Turn and bless Your church and bless people not in the kingdom yet with a grace to search you out again. We bless people with your love, like rain that breaks a drought!

**Mountains and Plains:** Your ways are so welcome in these hills and plains! Return these places to the way Your saw them being, long before anyone walked, lived, moved, worked or sinned in these places! Fill these regions with the power of blood of the lamb, Christ Jesus!
