

Spiritual Companion - Sunday Service Sep 26th 2021.

Higher Places - *flowing from our hiddenness in Christ.*

As we walk these intriguing days with the Holy Spirit we need divine direction to be fully able to affect the places, spaces and regions we are each in. We thank Christ for the year that has been, one that was marked by the prophetic word we received in November 2020 that 2021 would be a year of inheriting through faith **'a clear vision of the nature of all things - a theoria physike'**

Pertaining to life and Godliness is our ability to flow from two key positions we hold as sons and daughters of Christ. First being our position in 'higher places' (*Ephesians 2 v 6 and Colossians 3 v 1 - 11*). Throughout 1&2 Chronicles and 1&2 Kings there is an emphasis on the 'high places' either occupied by the accuser or by the saints. In-line with the New and everlasting Covenant that we are in because of Christ, we no longer work for or strive for victory. We are the ones called to live from the higher places that live in His triumphant ways (*2 Corinthians 2 v 14*)

Our second emphasis and intentional remembrance is that we live *'flowing from our hiddenness in Christ'*. This marks the believers life with a *'manifest presence reality'*. As maturity builds in the body individually and as a community, we are graced with more and more of His fullness flowing out of us everywhere we are found.

Our focus and emphasis on living with our perspective on things above first, is what we believe will garner our faith in life. Higher places all throughout scripture are places of the accusers out-workings or the saints inheritance. We have been given His authority to see His kingdom come and His will be done on earth as it **is** in heaven.

The higher places we are called to live from are not attainable through anything but trust and belief in Christ. They are not attained through good works or forms of earthly charity, they are the divinely designed places we are called to come up and live from, in Him.

With much being said and spread in our days, it is crucial that we are well-equipped in His word, growing back into early church likeness, where anything we sense to 'win or war' in the earth is first and foremost accomplished from the 'Higher Places' we live from in the heavenly realms.

Adam and Michael will be sitting with this in mind and heart as they adventure together this coming Sunday.
